Independent auditors' report to the members of Human Life International, Ireland

We have audited the financial statements of Human Life International, Ireland for the year ended 31 March 2016 which comprise the Profit and Loss account, the Balance Sheet and the related notes. The financial reporting framework that has been applied in their preparation is Irish Law and the Financial Reporting Standard for Smaller Entities (effective January 2015) issued by the Financial Reporting Council and promulgated by the Institute of Chartered Accountants in Ireland (Generally Accepted Accounting Practice in Ireland applicable to smaller entities).

This report is made solely to the company's members, as a body, in accordance with the Companies Act 2014. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As described more fully in the Statement of Directors' Responsibilities the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view and otherwise comply with the Companies Act 2014. Our responsibility is to audit and express an opinion on the financial statements in accordance with Irish Law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors including APB Ethical Standard - Provisions Available for Smaller Entities, in the circumstances set out in note 10 to the financial statements.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements;

- (a) give a true and fair view of the assets, liabilities and financial position of the company as at 31 March 2016 and of its result for the year then ended; and
- (b) have been properly prepared in accordance with Generally Accepted Accounting Practice in Ireland and in particular with the requirements of the Companies Act 2014.

Human Life International, Ireland

Independent auditors' report to the members of Human Life International, Ireland (continued)

Matters on which we are required to report by the Companies Act 2014

We have obtained all the information and explanations that we consider necessary for the purposes of our audit.

The statutory financial statements are in agreement with the accounting records and, in our opinion, the accounting records were sufficient to permit the financial statements to be readily and properly audited.

In our opinion, the information given in the director's report is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the provisions in the Companies Act 2014 which require us to report to you if, in our opinion the disclosures of director's remuneration and transactions specified by sections 305 to 312 of the Act are not made.
