

# Turn Powers of Evil on their Head!

**Launching a 9 Day Fast for Ireland on Bread and Water 6th November!  
300 People sought to fast for Ireland - Will YOU Cover THREE Days?**

*Dear Catholic  
Universe Reader,*

On a visit to Ireland a few years ago, an ex-Satanist high priest said that those involved in occult and witchcraft don't care ONE IOTA if one million people march against abortion.

**But they are terrified – he said – of even ONE PERSON fasting against their plans.**

**Prayer AND fasting.**

The sheer evil of Ireland's threatened abortion plans is surely nothing less than demonic. (cf Ephesians 6)

Some demons – Jesus told us – can only be driven out by prayer AND fasting! (Mark 9:29)

We've marched, lobbied, canvassed... even prayed.

**NOW is the TIME for a SERIOUS FAST!**

Abortion is NOT actually established yet.

**This is STILL a moment of opportunity!**

Let's give God an opportunity – many people doing a THREE day fast – over a nine day period – on bread and water!

We have nothing to lose!

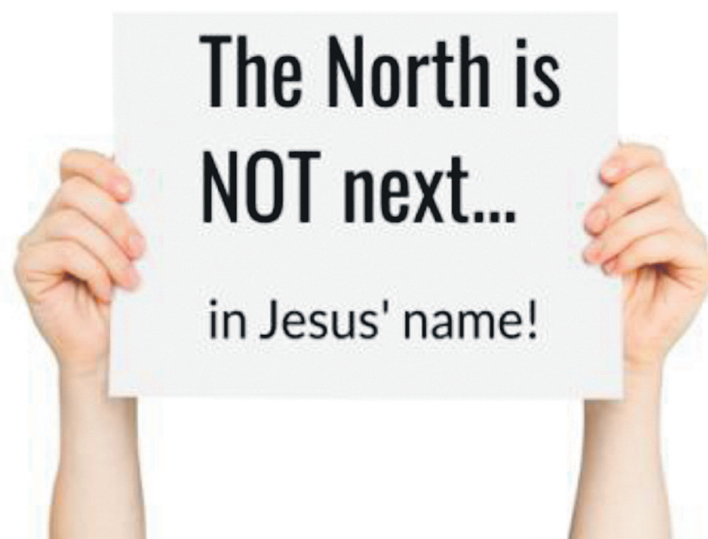

**Extreme threat requires SERIOUS MEASURES**

**Bread and Water Fast**

– even heroism.

The architects of abortion haven't yet been confronted by the power of serious, systematic, widespread, co-ordinated, deliberate, focussed fasting – of a true Catholic Church Militant type!

Let's pray God's blessing on them – and the destruction of their abortion plans.

Let's GIVE GOD HIS OPPORTUNITY – to turn the powers of evil ON THEIR HEADS!

We know God could do it Himself alone if He so wished. But He also showed us He wanted our co-operation – by prayer and fasting – to drive out those "demons" Jesus referred to.

To fast is an act of love.  
To fast is an act of mercy.

Life is short. When you meet God at the moment of your death – don't you want to be able to say to Him: "I tried everything I could, Lord!"?

At this very moment there are politicians at Westminster seeking to extend abortion to Northern Ireland.

**Feast of Saints of Ireland - 6th November.**

What better day to start – Feast of all the Saints of Ireland - 6th November.

Three days on bread and water\*\* (health permitting – medical check required.) This fasting might just be what tips it!

After all the 1000's of Masses, Holy Hours Rosaries and Holy Face Devotion – this fasting might JUST BE THE KEY!

**Will you fast for Ireland?**

**Sign up now!**

I am seeking 300 people who are SERIOUS about the whole three days – like Gideon's Army.

Of course, I am delighted if you can join for one day or two days – as health or work demands permit.

But the threat is now SO EXTREME

**I am seeking 300 people who are serious about fasting THREE whole DAYS!**

We will be praying the Rosary daily for these SPECIFIC INTENTIONS.

We are calling Catholics –

**Let's fast and pray for complete collapse of abortion plans – and conversion and blessing of all those promoting them.**

and Irish diaspora around the world – to join us.

**Sign UP below – let's give God this last moment chance!**

Sincerely, in Christ

*Patrick McCrystal*

Patrick McCrystal  
Executive Director  
Human Life International  
(Ireland)

- Indicate your days on the form below.
